

TopSeal

Features & Benefits:

- TopSeal is a Colour matched Backsplash and Upstand Sealant. High Strength / Waterproof / Flexible It Bonds and Seals at the same time.
- TopSeal adheres to all surfaces – Granite, Quartz, Laminate, Stainless Steel, Glass and many others.

- TopSeal is an excellent gap filler and has little shrinkage.
- Waterproof and flexible once cured.
- 10 – 15 minutes open time
- Excellent bond strength. Use to secure Upstands and Backsplashes in place.
- UV Stable
- Easy to apply in all conditions.
- Bonds even to humid surfaces.
- Top Seal is Environmentally friendly. It contains no solvents or other hazardous materials. This means there is no smell, no fumes and is non toxic.
- Fast cure even at low temperatures.
- TopSeal does not stain. It does not bleed on granite or other porous surfaces.

- TopSeal has a 12 month shelf life (unopened).

Directions for use:

- Ensure area to be sealed is dry and free from dust and grease.
- Apply an even bead of TopSeal along the area to be finished and smooth using a smoothing tool or soft scraper
- Clean up with Acetone or another solvent. Allow to cure for 24 hours before use.

Retailer Opportunity:

- TopSeal can be sold with all kitchen installations
- As TopSeal has excellent grab and gap filling properties it is much more suitable for Backsplashes and Upstands than regular silicone.
